Title: Advanced NOTION Music®

Division: Arts and Communications **Department:** Music

Course Description:

Building upon the skills mastered in NOTION Music® I, this course will give the student an advanced mastery of the “virtual orchestra” software NOTION Music®. The course will focus on the specific techniques required for realistic live performances, including advanced instrumentation articulation/editing techniques, orchestration tools and playback/recording. The student will be able to successfully orchestrate and perform a multi-part selection of music, including a full symphonic orchestra, rock band, jazz combo and other ensembles.

Prerequisites: A grade of “C” or higher in MUTC 105 and MUTC 111

Corequisites:

Prerequisites or Corequisites:

Credits: 3

Lecture Hours: 3

Lab Hours:

REQUIRED MATERIALS:

USB data memory stick. Additional materials may be provided by the instructor.

ADDITIONAL TIME REQUIREMENTS:

In addition to class time, students will need to dedicate approximately 6-9 hours per week to work in the Music Technology Studio. This time will be essential to the successful completion of course objectives. A learning assistant will be available during regularly scheduled lab hours to work with students.

COURSE LEARNING OUTCOMES:

Upon completion, students will be able to:

- Apply advanced-level proficiencies of the orchestration tools available in NOTION Music®.
- Utilize the Edit, Instrument, Score Setup, Mix, and Notation windows of NOTION Music®.
- Produce a fully-developed musical score for large ensemble and full orchestra and Broadway pit band.
(Technological Literacy, Critical Thinking, and Creative Expression)

GRADING STANDARD:

Class meetings include lectures, tutorials, demonstrations, discussions, critiques, and student presentations. Assignments will include tutorials, critical readings, and projects. The project assignments will culminate in completed works that will be evaluated from both technical and creative perspectives.

Course grading is based upon:

SYLLABUS

Tests

Three unit tests @ 15% each

45% of final grade

Tests will demonstrate a student's ability to apply information from readings and class discussions.

Lab Projects
